THE GLOBAL PLAYER

Newsletter 4/2019

2019 in review

VTS

▶ Introduction

Ladies and Gentlemen,

With great pleasure I invite you to familiarize yourself with the next edition of our corporate newsletter.

In this issue, we summarize the most important events in our company's life that took place in 2019.

In 2019, VTS celebrated our 30th anniversary. This past year has been a period of perpetual growth, bold business decisions, and laying the foundation to ensure that we continue to be a pioneer and innovator in the HVAC industry.

Ahead of us is a future in which we intend to create unique products, systems, and solutions, to pave the way for inspiration and change.

We believe that our Partners and Clients will accompany us in this exciting adventure, recognizing the opportunities for advancement and accurately assessing good ideas.

May your 2020 be filled with passion, dreams, and the courage to think differently.

Enjoy your reading.

Hanna Siek, VTS Group President.

OCTOBER

VTS RAILWAY STATION

USA,
ATLANTA

VTS America
- Road Show

In October we set off on another journey in our company truck to show off the American VENTUS unit. In total, we had 18 stops during which met more than 150 engineers and contractors of HVAC installations.

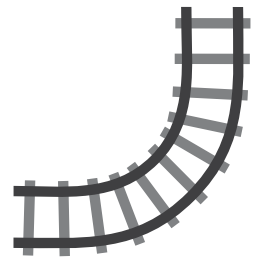

USA,
ATLANTA

VTS America

a project to modernize 30-year-old HVAC equipment

As part of the modernization of Berry Global's warehouse (Victoria, TX), VTS America supplied 5 AVS230 air handling units equipped with rooftop heat wheels. The nominal capacity of each unit is 23 000 CFM/40 000 m³/h.

OCTOBER

CHILE

VTS America – product seminars in Chile

VTS America organized a series of product seminars in the most important cities in Chile: Santiago, Concepcion, and Temuco. In total, 120 participants (designers and engineers) took part in our meetings.

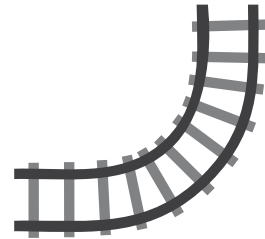

OCTOBER

INDIA

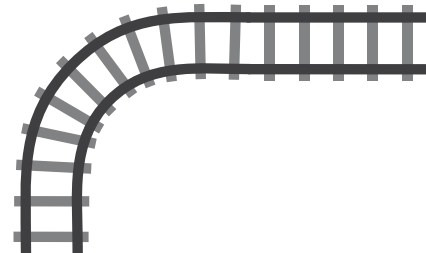

1 WEEK delivery time
for VENTUS S-type in India

An advertisement for VENTUS S-TYPE units. It features a grey VTS unit on the left, a green map of India on the right with a yellow airplane flying over it, and a red banner that says "1 WEEK delivery time IN INDIA". The text "#30VTS" is in the top right. Below the unit are four icons with text: "from 900 to 5600 CFM IN TOTAL CAPACITY", "LOW HEIGHT & WEIGHT", "ATTRACTIVE PRICE", and "WATER TIGHTNESS". A yellow button at the bottom says "Ask for offer". The "ventus S-TYPE" logo is in the top left, and a compass icon is in the bottom right.
